

The NGV occasional table

Lucid lines and an attentive use of materials combine to create the NGV Occasional Table, suitable for reception, breakout and lounge spaces. Its modern spirit is reflected in its geometric stainless steel understructure that elegantly supports slender tops in veneer, acid etched glass or paint.

ngv occasional tables available in 12mm veneer, acid etch glass or paint.

p - powdercoat mdf - black & parchment
 v - veneer - new age & american oak veneer
 g - omni decor - acid etch glass
