A welcoming flair.

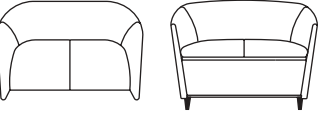

Schiavello's Watson seating has been exclusively designed to add a welcoming flair to waiting areas, meeting rooms and hotel lobbies.

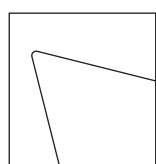

Deep seat comfort and ergonomically contoured forms combine to provide proper lumbar support for long periods of sitting. Watson is slightly higher than conventional guest seating, allowing for easy manoeuvrability into and out of the chair.

Watson's internal tubular steel structure and moulded polyurethane

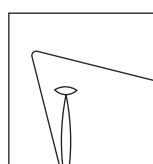

foam maintains the chair's durability, while still remaining surprising lightweight.

Available as a single tub chair, 2 and 2½ seater settee, individual styling is achieved by a range of design options. Double gusset detail (optional) allows for a striking display of contrasting fabrics and colours. Plinth finishes include timber, fabric, leather, or laminates, and legs are available in timber or polished aluminium. The seat cushion is fully upholstered to add to total comfort and visual possibilities.

	Backrest height	Seat height	Overall height	Seat width	Overall width	Seat depth	Overall depth	Weight in kg/lb
 <p>16001F / 16001L Single Tub Chair</p>	440	450	840	500	650	500	780	18kg 39.6lb
 <p>16002F / 16002L Double Seater</p>	440	450	840	500	1280	500	780	40kg 88lb
 <p>16003F / 16003L Two and a Half Seater</p>	440	450	840	500	1980	500	780	60kg 132lb
