

Schiavello
National Projects Group

Schiavello continuously sets new standards in workplace furniture and construction that enhance human performance, improve corporate culture and ensure environmental sustainability.

UNRIVALLED EXPERIENCE

Established in 1966, Schiavello has serviced work and living environments for over 40 years. A top 200 private Australian company, Schiavello is the largest Australian-based organisation in its sector.

AN INDUSTRY LEADER

Schiavello is internationally renowned for our research, design, engineering and manufacture of highly intelligent workplace systems that include demountable walls and partitions, workstations, seating, storage, joinery, occasional furniture, signage and IT solutions. Schiavello employs more than 1,200 highly trained personnel operating from 12 offices and four manufacturing plants.

TOTAL COMMERCIAL SOLUTIONS

Schiavello is an integrated international company that offers turnkey interior project and construction management services for commercial, healthcare, hospitality, education, retail and living environments. We can manage and deliver all sub-contractor activities with in-house expertise in electrical, carpentry, plastering, glazing, painting and manufacturing.

WORLD'S BEST PRACTICE

All products and services are based on sound environmental design principles in accordance with international certifications ISO 14001 Environmental Management System, ISO 9002 Quality Management System and AS/NZS 4801 OH&S Management System.

CREATE INSPIRING ENVIRONMENTS

We have an interest in understanding what role the workplace has in attracting and retaining the best people by fostering high performance and efficiency.

Schiavello's Ecologically Sustainable Development (ESD) Statement

In its ongoing quest to minimise adverse impacts on the built and natural environment, Schiavello is committed to embedding Ecologically Sustainable Development principles in its design and manufacturing processes. Schiavello firmly believes that a commitment to social responsibility will maximise indoor environmental quality and performance. At Schiavello, leadership in ecologically sustainable outcomes has been a priority for more than a decade.

Schiavello's sustainability imperatives

- Reduce dependence on mining + fossil fuels.
- Reduce dependence on unnatural substances.
- Reduce dependence on nature-consuming activities.
- Pursue materials + energy efficiencies.
